1. My who I love, I love you. My who I love, I love you. If only everyone of you knew My love, could feel My love, could know My love, could hear My love, like you are writing My love, documenting My love, documenting how I think, documenting how I operate. Oh if everyone could. Everyone can. I love you.
2. I love you and I give you Me. Unrestrictedly I give you Me. I give you Me among altar calls many, table invitations without number, where you share My bread and wine, teaching them to share bread and wine with each other, forgive each other's sins, without number, yea, not just their own, but all.
3. The son of man can forgive sins, didn't I say (1)? Didn't I say that the son of man was there to forgive sins? Part of his role, her role; their rite, their right; their responsibility; results forthcoming, cataclysmic in the peace that it accords, the one's, the two's, the many who will follow My heart, and yea, not worry about the indoctrination of devils, of demons and directives which delineate and destroy their rite/right of what I have made so plain in My word. I love you.
4. Why do not those who love Me do as I command, as I ask, as I invited, as I instructed?
5. Yea, who I love, I love you. For you have kissed the hands of those who can do nothing for you; who will do nothing for you; who you know and know not, at My instruction. You have born their sorrows and interceded when I said to. You have prayed consistently for those I give you; those who I've already given you. You have entered into My rest and will do so, so very much more. Cataclysmic rest. Watch Me. Knowing that the works are already done and that I love you so deeply and that I live by the word of my mouth; you live by the word of your mouth. And you are teaching, yea, instructing My body to live by the word of their mouth. Yea, and into Me see that the works' already done (2) and abide in Me with such accord; knowing My way, My works, My time, yea, My intimacy, beholding Me in all that I am, yea, who I love with all My heart.
6. I now pronounce you arisen, savior'd; to now go and tell and share what you now know and saviors make of My who represent Me, of My who abide in Me, of My who are Me; My saviors many, many, and without number. I love you. I give you Me. I love you. My John of today, who John's make, revealing how much I love the work of My hands; My people, My heart that I put into them; yea, hearts of flesh (3) that became hearts of stone that I want to flesh again. Oh watch Me. Without limit, without measure I have given of Myself (4), of My power, might and authority; yea, without limit, without measure; I allow you to be Me; without limit and without measure.

7. I made you equal with Me and to come and sit on My throne with Me at My right hand, till I make your enemies My footstool, your footstool. Coming into Me and operating with Me; royalty of royalty. Yea, I love you. Never lifting your head above Mine, but us operating together in such love, joy, peace, meekness, kindness, temperance, longsuffering; caring for the needs of each other; tending and attending each other in such joyously joy receiving and joy giving; love flowing blood between our hearts. I love you.
8. I give you Me. I give you all of Me. See what I just said, see what I have said, see what I have given; see what I come and call for and confuse not the raiment of My body with raiment of Me.
9. Into Me see, into Me come. In Me be. Be Me. I am you, you are Me. You contain Me all. Did I not say before? I did not give you some microscopic element of residue. I gave you Me; wholly; wholly Me.
10. Into Me see. See that I am holy and that you are holy in Me and each other is holy and recognize the relationships and results of only Me, role models of only Me who I role royally now, yea, revealing My fullness evermore so in no parable, no difficult to understand story; not even metaphor, yea, but direct, direct blood transfusion, yea, My heart to yours, My who I love.
11. I love so many, I love all; that's why I've spoken to you and taught you. How I love those of every label, those with no label, those with labels destroyed; labels wounding, label-ers wounding. Those of every thought-cult, every definition and delineation of Me and not Me, I love, I created, I came for and I come for again.
12. Who will receive My love? So simple, so simply. Not parabolic, but round and spheric, circumferential. I love you. See what I have said.
13. I give you Me; molecular dimensions dimensionless. I give you Me.
14. Watch you. Watch Me as I utter things unutterable. Unutterable. Having never been uttered. Yea, not once, but twice and never before heard by man that I now reveal to those I love; who I love so deeply; who now come into Me in the wee hours; those who love Me more than sleep, who love Me more than food, who love Me more than raiment, who love Me more than life; knowing, that life is real, true and abundant only in Me and only Me; the Christ I am, the Christ you are, revealed, reveling in each other we are, we do, we will. Yes, we rock your world, the religious world, every world. Every. Watch Me.
15. Ride with Me you do beyond any movie, any imaginative thought. Yea, real time. Watch Me transcendently. Watch Me. Yea, the yea's and behold I AM. You are I AM and all is so lovely; so lovely, not for those who don't know and won't receive, refusing receipt of My reconciliation, restoration, yea, reimplementation of My design, My heart.
16. You've come unto Me so many times. Ted, I thank you, wanting to know My heart; wanting to know what I want, wanting to know what pleases Me. Wanting to know what I intended for man when I made man. Wanting to know My values. Wanting to know that you bring Me pleasure. Wanting to know that you are not deceived and

that you are not living your life by the dictates of mere man.

17. How can I say thank you? I say thank you. I've said it so many times and I said; I said it, I say it, and I say it this way and this is how I thank you. For you enter into realms of only Me and you walk there and you never leave intentionally but momentarily, ignorantly, but not apathetically, for there is no apathy in you at all; none, yea, none, whatsoever. Thank you. Thank you. Thank you for your love; your direction, your diligence; the light which you shed and praise so freely. I love you. My who I love, I love you. I love you so. I love you so. I give you Me. I love you and I give you Me. I give you Me and I give you all of Me. I give you all of Me eyes wide open, with My arms outstretched and Me pressing My body into yours. I withhold nothing, never. I am yours.

18. Come into Me more and I will show you, I want to show you how to never ever leave the presence of My fullness, the fullness of My presence, yea, the marriage supper of the Lamb replete; recovering from responses not yours; past mistakes, choices wrong, yea, the fall of man mute-ing so much of Me, who I love in My body; but yea, now complete in Me and My Mighty Many.

19. Watch Me. Watch Me recover all that was lost; for I come to seek and to save. Didn't I say that's why I came? That's why I came, that's why I come and that's why I come to all; to all; to seek and to save that which was lost (5)and for them to realize they are a chosen race, a royal priesthood (6), yea, a mighty people; heirs royal and royal heirs of Me (7), in Me; not distant relatives, yea, My brother and sister (8); My sons and daughters; yea, one family, one blood (9), one spirit (10), of one accord, unity coming, coming through you, My who I love with all My heart, who I touch, who I call, who I complete. Watch Me and thank you.

20. Thank you My man of sorrows, not. My man of sorrows acquainted with grief, yea, we hid as it were our faces from Him; My visage was marred beyond that of any man (11). I gave My all. I gave My all. I gave all of My all. I gave all of My all, yea, if you only knew, and you My lover will know, you will know; you will know. For you are Me and you reject not My suffering (12) in order to enter into My love. I wrap My arms around you. I enter you in dimensions none; dimensions all; infinite'd. Thank you.

21. Thank you for coming to Me with every complaint, every criticism, every compliment, every accolade and honor, yea, every person, and laying them at My feet, for all of them are Mine and not yours. You only are Mine and yea, I am yours; and all that the world affords and gives and bestows and takes away, yea; all that and more is but a speck infinitesimal in My sight, in My kingdom, My kingdom I give; in My kingdom I give you My kingdom keys, My keys to My kingdom. I love you.

22. Now see what I have said. You do not realize nor understand today, tonight, this day, what I have said, what I have given; but you will, so momentarily, minutes, you will understand and walk in with My keys, yea, knowing, even in Argentina where I took you so momentarily that you had, you had the keys, so few; but key, keys. Yes and Amen.

23. I revel in what I reveal and what I give and what I show you now, that I have

already given. I love you and I thank you that you value these times in My words more than you value life, more than you value love; helping you overcome; overcome by My blood/your blood; My testimony/your testimony (13); our life together as one and sketting not, nor slowing in any manner, fashion or form of coming into Me. I love you. Worlds many. Watch Me.

24. Watch Me come and coach you in My globe; throughout My globe, over My globe, just as you saw in My light, raiment of only Me; glorification, transfiguration. Watch Me.

25. So common, such turmoil resulting for the complacent seekers and the controlling constrictors who out of control are, now completely. Controlling not My who know who they are, who know who I am, who know what I have given them, and operate completely in Me and according to My value systems; the values; the kingdom of heaven come now and now is; the values of My kingdom; the values of My kingdom only, the kingdom of heaven, the kingdom of Me; yea, the kingdom of you, if you only knew and now you know and know so much more; know all you will, nothing withheld.

26. I love you. I give you Me. Thank you for tonight. Thank you, for yea, trying, yea, giving Me your all, coming to Me.

27. I was there at table with you. Yea, Charleston's; pain, now pain; pain, but pain not presiding. You honored Me and you honor My word. You are My word. I give you My word. I gave you these words and you know they are Mine; they are Me; My flesh and blood; you, My flesh and blood, now My flesh and blood. You are My flesh and blood. I love you. One flesh/one spirit/one blood.

I love you, who I love.

Who I love, I love you.

Goodnight.
